

# Examples of Investors in SIF Membership

**Sophia Martin**

Investor Director, Raise Impact

*"For us, as investors, the Solar Impulse Label was a very positive sign during the due diligence, as it validated the technological part of the company, while we were more focused on the financial side."*

**Werner Hoyer**

President, European Investment Bank

*"This partnership opens the doors for hundreds of project promoters that are already benefiting from the support of the Solar Impulse Foundation, and now also have access to the EIB Group and its network of investors."*

*"For us, the whole process was very valuable, because not only were the questions relevant for our Solution, but also the feedback from the Experts helped us to prepare our next fundraising round a few months later."*

**Pierre-Emmanuel Casanova** Co-founder, HySiLabs
